Recipient Name	Project Purpose	Project Location	Amount Requested (\$000)
Marine Corps Air Station, Yuma	Combat Training Tank Complex, MCAS Yuma: This project would construct a combat training tank and applied instruction building at MCAS Yuma to support combat water survival training and mandatory bi-annual swim qualifications for Marines and Sailors. The applied instruction building includes classrooms, administration and lifeguard offices, equipment storage, locker/shower rooms, medical rooms, and utility/mechanical areas for the tank.	Yuma AZ	\$29,300
Marine Corps Air Station, Yuma	Bachelor Enlisted Quarters, MCAS Yuma: This funding would allow for construction of a much-needed new multi-story Bachelor Enlisted Quarters, including 304 rooms to house 608 Marines, requiring parking facilities, and recreation facilities for permanent enlisted personnel. These billeting quarters at MCAS Yuma would help maintain unit integrity by avoiding either housing personnel in unsafe billets or housing them off base.	Yuma AZ	\$99,600
